

Back by Popular Demand: AWAI's LIVE Ultimate Accelerated Copywriting Companion Series

By Katie Yeakle

If you missed this last time around, you don't want to miss it this time.

It's a little "secret weapon" a few AWAI members discovered last year ...

A way to – once and for all – *master* everything you need to know from *The Accelerated Program for Six-Figure Copywriting* in the shortest amount of time.

We call it the LIVE *Ultimate Accelerated Copywriting Companion Series* — and it works very simply.

Each week for 10 weeks, you can join us for a one-hour "live" online webinar where Rebecca Matter, myself, and a series of very special guest experts will walk you through one session of *The Accelerated Program* at a time, in extreme detail.

We'll talk about what you need to get out of each section ...

Explain all of the principles in detail ...

Apply the "lesson of the week" to current, real-life examples — examples you'll see illustrated live, in real time, on your computer screen.

We'll bring in copywriters we know to be experts on the topic the section is discussing — and have them give you their insights to mastering the skills and knowledge you need.

In short, we'll take this hour per week and, for 10 weeks, drill the knowledge you need to succeed deep into your mind in ways studying *The Accelerated Program* on paper could never achieve. You'll have an opportunity to grow your knowledge and strengthen your grasp of the "building blocks" you need to write great copy from this day forward.

The upcoming LIVE *Ultimate Accelerated Copywriting Companion Series* session begins on January 19th and will run for at least one hour every Tuesday at noon ET.
