It's official ...

The *12 Weeks to B2B Copywriting Mastery* is sold out.

I'm so sorry if you were hoping to get in!

But if you still want to be a well-paid B2B copywriter, I want to help you.

So until midnight ET Friday, we've discounted Steve Slaunwhite's *Secrets of Writing High-Performance B2B Copy* \$150.

[You can get all the details here.](#)

This program will show you everything you need to know to connect with B2B companies *desperate* to hire a well-trained writer.

These companies need short sales copy ... articles ... blog posts ... brochures ... case studies ... white papers ... even PowerPoint slides!

Steve's program reveals exactly how to do it all (and do it very well) ...

It even shows you how to launch your business and land your first client within six weeks.

And remember, B2B companies *need your skills*. One in three firms say they're having a hard time finding writers to help them.

Now is the perfect time to step up to fill the gap ... especially since 51% of B2B firms will be increasing their marketing budgets this year, helping you on your way to earning a healthy professional income as a B2B writer.
